

PROFESSIONALISM Series

(Part B: Practical)

NEW Series

Wednesday, November 4, 2009

8:45 a.m. to 11:00 a.m.

2 hrs. BEST pathway

NOTE: participants attending full series (Part A & B) receive 4 hrs. FAST pathway

This session is a follow up to Session A with a focus on professionalism in clinical learning environments. Participants will engage in discussion of some of the current challenges related to professionalism in practice settings and explore possible solutions for addressing these issues. An emphasis will be placed on strategies for giving feedback to learners regarding professional behaviors.

Objectives:

- ❖ to discuss some of the challenges related to professionalism in clinical practice settings
- ❖ to identify possible strategies for addressing challenges related to professionalism
- ❖ to identify strategies for giving feedback to learners regarding professional behaviors

There is no registration fee, however to participate, please send your name, department/school/other, mailing address and email/telephone contact to: dicroce@mcmaster.ca
